ABOUT THE DVFM

Founded in 2009 by members of the Eagle Fire Company and community members, the Delaware Valley Fire Museum, Inc. (DVFM) exhibits and archives historic fire fighting equipment and fire related historical artifacts from the New Hope Eagle Fire Department and other fire companies in the Delaware Valley. The DVFM is a 501(c) (3) not-for-profit, charitable organization.

MISSION

The primary purpose of the DVFM is to collect, preserve, record and exhibit the history of fire, rescue and emergency medical services within the Delaware Valley and to serve as a memorial to those who have dedicated their lives to the fire and emergency services. Sharing the remarkable history of these services, particularly fire fighters, is an important part of any community and the ultimate focus of our mission.
